Premium Studio

A Premium Studio offers a more spacious and comfortable experience than a standard studio. It offers more privacy and larger floor plans, including a private washroom & kitchen. If you are looking for more comfortable and spacious accommodation, then a Premium Studio is a great option for you.

Twin Studio

A twin studio apartment is designed to be shared by two people. It has two single beds, a shared bathroom, and a kitchen. It offers a practical and cost-effective solution for those who prefer to live with one roommate.

Premium Private Room

A premium private room is a type of accommodation that offers a higher level of comfort. It is larger than a private room. It includes a Queen-size bed and offers you more space. The premium private room is located inside a 2-bedroom apartment. Total occupancy will be three students in the same apartment. It has a shared bathroom and guest WC, a large terrace, and a kitchen.

Shared Private Room

A shared private room inside a one / two-bedroom apartment is a great option for those who want their private space. It includes a single bed. The private room is located inside a one or two-bedroom apartment. Total occupancy will be 4 or 5 students in the same apartment. It has a shared bathroom, balcony, and a kitchen.
